Presidential Summit on
ENTREPRENEURSHIP

In his June “A New Beginning” speech in Cairo, President Obama announced that the U.S will host a Summit on Entrepreneurship to identify how we can deepen ties between business leaders, foundations and social entrepreneurs in the United States and Muslim-majority countries, including their minority populations, and Muslim communities around the world.

In the spirit of the Summit, American Corners Indonesia in cooperation with Public Affairs Section, Embassy of the United States of America conducts a series of program.
